

OPEN CALL FOR ARCHITECTS

THE RECONSTRUCTI ON OF AL NADA NEIGHBORHOOD D IN GAZA

DAAR and studioazue have been commissioned by the Italian Agency for Development and Cooperation a reconstruction Plan of Al Nada Neighborhood in Gaza. The overall objectives of the assignment are to assess the existing land, shelter, urban services and economic situation in the area, and to integrate the analysis into a comprehensive Detailed Development Plan for Al Nada ensuring enhancement of environment, governance and equitably serving the vulnerable. The process will develop synergies among public and private stakeholders towards the effective economic and social development of the area. Expected results are: the elaboration of a Detailed Development Plan of Al Nada adopting a participative and neighborhood-centered approach, the draft of guidelines for implementation (planning and building regulations), and the design of specific regeneration Projects according to a Priority Action Plan.

The resident will be offered a studio and residency at DAAR in Beit Sahour (Bethlehem, Palestinian Territories) for a period of 3 months, from April to June 2016.

The resident will receive a salary according to work experience.

APPLICATION DEADLINE: March 30, 2016
